Cheap Boarding at Ashland College.

A sweeping reduction has been made in the cost of living at the Ashland College Boarding Hall. Do not forget this.

Lectures on Theology.

During the Second Fall and Winter Term, at Ashland College, a lecture on Theology or Christian History, will be delivered each Sunday evening, for the benefit of any who may attend College for the purpose of preparing for the Ministry. The knowledge that can be thus obtained, in connection with their regular studies, will be of great aid to them in performing the duties which this highest calling requires.

Ashland College.

Ashland College will commence the school year of 1885—6 on August 11, with a full corps of competent teachers adapted to the work, and offers more advantages to students than ever before. The First Fall Term is specially adapted to the wants of teachers wishing to review, preparatory to opening winter schools.

The Courses of Study have been arranged to meet the demands for an education that will be of utility in practical life, and at a cost so low that all can avail themselves of the opportunity.

Brethren are specially invited to consider the claims and advantages of Ashland College, when choosing a place to send their children to school. Here the proper religious influences will be placed around them, and they will be expected to attend the regular religious services, conducted by Brethren, at the College Chapel, unless excused by their parents; and then, we should all patronize our own institution.

THE EVANGELIST HYMN BOOK.

The Evangelist Hymn Book is the title of a little work compiled by Elder H. R. Holsinger, for use in revivals by our evangelists. The compiler says in his Preface:

"This little book is intended to be used by traveling ministers, and in out-of-the-way places, where the congregations are not supplied with regular church hymn books. Ministers can carry a supply with them, and have them distributed to all who wish to use them; at the close of the service announce that the books are for sale at five cents each; that those who wish to keep one will drop that amount into the collection basket, and those who do not wish to purchase them will drop the books into that receptacle. When the series of meetings closes the worn books can be taken to the next place, and so on until they are worn out. In this way it is hoped that the song service will be more intelligent and devoted, because all may have books, and it is believed that it may be made self-sustaining, financially."

It will be ready by Sept. 1st, and will be sold at five cents per copy, single, fifty cents per dozen, and four cents each in lots of twenty-five copies or more.

Now brethren, notify us how many you shall need, and we will know better how many copies to print.

Ashland Mfg. Co.—

1780. TIME TRIED. 1880.

Our readers will find an important new Advertisement of Dr. Peter Fahrney, on another page, which merits careful reading. It will appear only one time. It advertises a medicine which has been extensively used for a number of years, and which has given the proprietor quite a reputation. We invite special attention to the "poster" to which reference is made in the advertisement. It is a handsome Engraving, substantially mounted, with a fine Century Plant in the middle and a column of reading matter on each side. The Medicines of Dr. Fahrney are usually sold by agents, and not by the regular druggists. Dr. Fahrney has established a good reputation as a professional and business man and those who desire to give his Remedies a trial need not hesitate to trust him. Carefully read the advertisement. —The Church Advocate.
